

# Dr Jason Lester MB BS, MRCP, FRCR

---

## Present Appointment

**Consultant Clinical Oncologist**  
South West Wales Cancer Centre

## Medico-Legal Experience

I have practiced as a consultant clinical oncologist since 2003 and have been providing medicolegal reports in clinical negligence cases within my fields of expertise since 2008:

Mesothelioma	(350 reports to date)
Lung cancer	(250 reports to date)
Prostate cancer	(100 reports to date)
Bladder cancer	(50 reports to date)
Kidney cancer	(60 reports to date)

I currently undertake about 100 cases per year. My ratio is split 70% Claimant and 30% Defendant.

I aim to provide timely, evidence-based unbiased reports within my areas of expertise that reflect current legal practice

## Education

**1988-1993** - MB BS - United Medical and Dental Schools Of Guy's & St Thomas's Hospitals, London

**1997** - MRCP - London

**2001** - FRCR - UK
