## **Consultant Colorectal and Peritoneal Oncology Surgeon**

Christie Hospital NHS Foundation Trust

April 2000-December 2025

### Medico-Legal Experience

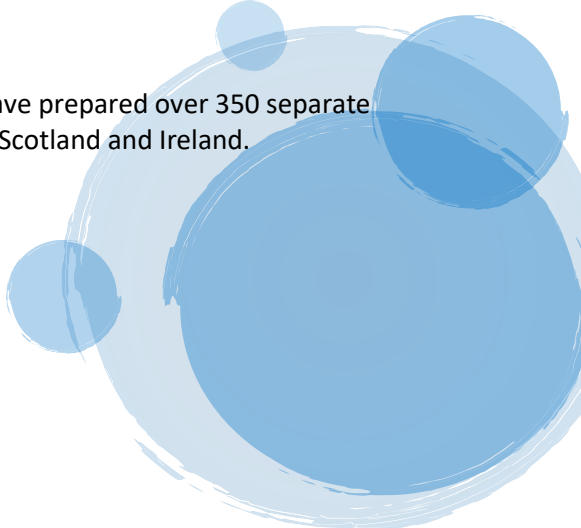

I have been producing reports in medical negligence cases concerning potential breaches of duty and causation and condition/prognosis since 2008. I have experience appearing as a witness in Civil, Coroner's and Crown Court hearings. Currently I produce circa 50-54 reports annually. I act as an expert witness only in my areas of clinical and research experience, namely: -

- Assessment and surgical treatment of colorectal, appendiceal, peritoneal and anal tumours and intra-abdominal and retroperitoneal sarcoma.
- Management of complex pelvic malignancy of non-colorectal origin.
- Management of complex benign intra-abdominal pathology.
- Post-operative adhesions.
- Complex abdominal wall repair.

I have attended the following training: -

- Course in Clinical Negligence, Specialist Info. Manchester 19/3/15
- Inspire Medilaw's Annual Expert Witness Conference, St Anne's College Oxford 4/12/18
- A study day on Clinical Negligence, organised by Specialist Info, online 18/11/21
- Annual Medico-Legal Conference, Inspire Medical, Examination Schools, Oxford 1/12/23

As of February 2026, in total I have prepared over 350 separate reports for law firms in England, Scotland and Ireland.
