

# Dr Mark W Drummond MB ChB, MRCP, PhD, FRCPath

---

## Present Appointment

**Consultant Haematologist & Honorary Senior Lecturer,  
Beatson West of Scotland Cancer Centre**

## Medico-Legal Experience

I have been authoring expert Medicolegal Reports for 11 years (started 2015) and have completed over 200, on all aspects of haematology and from all parts of the UK (Scotland, England & Ireland). My Claimant / Defendant ratio is 60:40. I am happy to see and examine Claimants which I usually do in either Edinburgh or Glasgow and I also offer Zoom consultations. Report turnaround time is typically 6 weeks. I have experience in preparing joint expert statements with the other party. To date I have attended Coroner's Inquests in an Expert capacity.

## Education

- 1990** BSc (Hons), University of Glasgow
