

# Dr Prem Mahendra MD, FRCP, FRCPath

---

## Present Appointments

**Consultant Haemato-Oncologist,**  
Queen Elizabeth Hospital, Birmingham

Examiner Royal College of Pathology  
Medical Advisory Panel Lymphoma Action  
GMC Associate – assisting GMC with competence and assessment panels

## Clinical Interests

I have trained in haemato-oncology and stem cell transplantation at the Hammersmith, Royal Marsden and Addenbrookes Hospitals. I have been a consultant since 1997 and at the Queen Elizabeth Hospital since 1998.

## Medico-Legal Experience

I have been undertaking medico-legal work since 1998. I have provided approximately 1000 reports since then and undertake 25-30 reports/annum. My claimant:defendant:joint report ratio is 60:30:10.

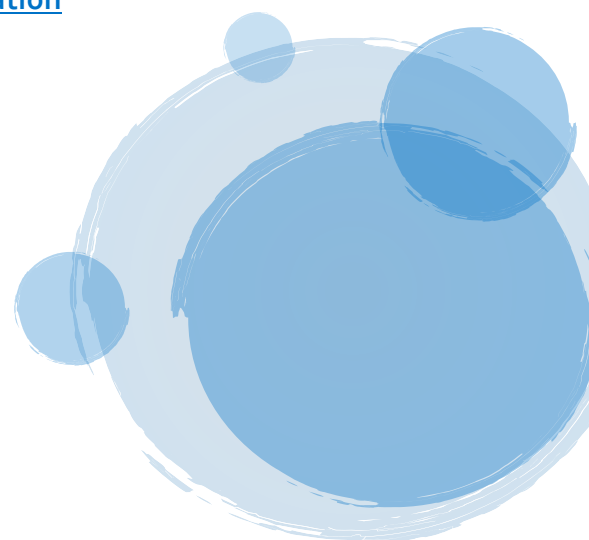

I provide both breach of duty/causation and condition/prognosis reports. I am able to provide reports within 30 days of receiving instructions and documents. In addition, I have provided reports for the GMC, MDU, MDDUS, Parliamentary Ombudsman as well as being instructed by external Trusts to investigate poor performance and serious incidents.
